Classwork Grade Information:

Grade 5 Social Studies

Your written classwork, participation, or warm-ups may be graded on any given day. All class activities are made to help prepare you for projects, quizzes, and tests.

Grade scale for written work:

95%: EXCELLENT: ✓ +

- All written answers are detailed, accurate, and organized.
- Opinions you share in writing or discussion are supported by specific, accurate information and your own reasoning.

85%: SATISFACTORY ✓

- Most written responses are accurate, and organized and include some supporting details.
- Opinions you share in writing are supported by content information and some of your own reasoning .

75% or below: NEEDS IMPROVEMENT ✓ -

Did not meet expectations above, either through inaccurate, vague, or incomplete written work.

In addition to graded written work, you will earn **participation grades** in social studies. This score is based on your rate of:

- positive sharing of ideas and questions in whole and small group discussions.
- on-task behavior.
- helpful and kind interactions with your classmates.

If you are absent from class, please check my HW page AND see me for classwork.

If you are unhappy with any quiz or test grade, you may re-take it at X-block and your original and re-take scores will be averaged.
